27 FT YACHT - SAXDOR 270 GTO

TRUE PERFORMER

EXCELLENT DRIVABILITY AND PERFORMANCE.

The Saxdor 270 GTO, designed with Saxdor's signature light, soft-riding twin-stepped hull, delivers the speed, performance, and fuel efficiency for which earlier models are renowned.

The 270 GTO is the ultimate choice for sun lovers. With twin sunbeds - one in the front and one in the aft — you'll have more than enough room under the sun to kick back and relax whenever needed. Once you're done, the aft sunbed can be put back together and serve you as a dining settee.

Designed with a distinctive twin step hull and sharp 20-degree deadrise angle, the Saxdor 270 GTO promises an efficient and nimble performance on the water, making it a standout in its class. This design is integral to the boat's exceptional maneuverability and contributes to its ability to cut through the water with minimal resistance.

Saxdor 270 GTO is the winner of prestigious Motorboat & Yachting Award 2024 in the "Sportboats up to 30 ft" category.

33FT YACHT - SAXDOR 32 MODEL 2025

The Saxdor 320 GTO Model 2025 is a modern, high-performance powerboat designed for speed, stability, and everyday comfort on the water. Built with a lightweight yet strong twin-stepped hull, it delivers smooth handling and excellent performance even at high speeds. Powered by twin outboard engines with options up to 600 hp, the Saxdor 320 GTO offers an exciting and efficient ride, ideal for both short trips and full-day cruising.

The open deck layout is smartly designed, featuring comfortable seating, wide walkways, and large sunbathing areas at both the bow and stern.

The helm station is equipped with advanced navigation and control systems, offering a confident and intuitive driving experience.

Practical storage spaces, a functional cabin, and a well-protected cockpit make the boat suitable for leisure cruising, island hopping, or watersports. With its bold design, performance-focused hull, and versatile layout, the Saxdor 320 GTO is a strong choice for those looking for a stylish, fast, and practical boat for the sea.
