

KAFENIO

"Come for the coffee, stay for the tavli, the cards, the political debates, and the laughter.
In every cup, a story. In every game, a little drama."
Traditional cafés, or kafenia, have been an essential feature of Greek social life since the 1830s.
In Lesante Cape Kafenio time has stopped, and life is slow.

GREEK COFFEE & ORGANIC TEA

Greek coffee slowly boiled in hot sand (hovoli) that mimics hot ashes. The taste is not like other!
